We will write to your previous school for a copy of records. We cannot register a student without a transcript so that we can evaluate what additional courses they will need in order to meet Tennessee graduation requirements.

Please bring the following with you to your registration appointment:

1. Birth certificate
2. Proof of guardianship, only if the person the student will reside with is not the one on their birth certificate.
3. Social Security Card
4. Permanent immunization record from the Johnson County Health Department. Take your shot record to them and they will issue you the “green card” you must have to enroll in a Tennessee school.
5. Proof of a school physical

Note: Some of the above may be in your child’s school record when it arrives, but no student may begin school without the above documents.

Thanks for your help, and we look forward to seeing you soon!
